An indication of the effectiveness of the seminary program was contained in a report made by the seminary instructors in 1929 and 1930. They reported then that of the seminary graduates, 27 had filled foreign missions for the Church; 20 had become teachers; four were graduate nurses and 41 had married with no divorces among the group. No recent survey has been made.

Through the years it is estimated that between 10,000 and 11,000 young people of Wasatch Stake have been enrolled in seminary classes.
